- Stuffed animals cannot be sold, unless they are battery-operated or plush dolls
- Disposable diapers, cloth diaper pre-folds and inserts, and underwear can only be sold in the original, unopened packages

- Crib bumpers can only be sold if they are breathable/mesh style, not padded.

- NO BABY FOOD, FORMULA, or EDIBLE ITEMS, even unopened packages (i.e. Easy Bake Ovens). Boxes can be opened and food removed, then noted on tag (in description section) before printing (no writing on tags!)

CONCIERGE ITEMS

If you are a concierge seller, you may sell up to 100 items. An item may be a single item or a set to be sold together under a single price tag. No big equipment (e.g., high chairs, cribs, car seats) are permitted for concierge sellers due to space limitations.

3. Package Items for Sale

- Most clothing should be hung on a hanger. Onesies, especially when sold in a multipack, should be sold packaged together in a ziplock bag (or similar); these will be placed in baskets. If you purchased a onesie on a hanger, it will probably sell best if hung on a hanger.
- Socks should be packaged together or individually in a bag; these will also be placed in baskets.
- Please use only plastic (or partially plastic) hangers that are appropriate for the garment type (e.g. shirt hanger to hang shirts, pant hangers for pants or skirts, etc.) If you need hangers, you may try

asking for hangers at children’s clothing stores or posting to the seller Facebook page. At the end of the sale each seller gets a bag of hangers to use for the next sale.

- All hanger hooks must face left when looking at the item (the hanger will look like a “2” or a “?”).
- When selling two-piece sets, use hangers for outfits or use two hangers, if you need to, and rubber band together.
- Please do not pin items to hangers or to each other. This may damage the items and make the checkout process difficult. (Hangers are removed at the time of checkout for redistribution to sellers.)
- Include all manuals for unassembled furniture and toys. If the manual is unavailable, please put your name and phone number on the item in case the buyer has questions during assembly.
- If an item is brand new or has only been worn once, note it on the tag. It will sell more quickly.
- Clothes sell better when they look neat. Button the buttons, zip the zippers, snap the snaps, etc.
- Shoes should be securely fastened together
- It is recommended, but not required, to install working batteries in electronic toys.
- Bag small items together in a clear baggie. They will sell better when grouped together; i.e. socks, infant toys, puzzles, games, onesies, bibs, etc.
- The best way to package puzzles, without damaging the paint/picture, is to use plastic wrap (e.g., Saran wrap) to keep the pieces in place (wrap it around tightly, both ways). Then tape the plastic wrap to itself and tape the tag to the plastic wrap. This way the puzzle pieces stay in place (without the use of tape, which can damage the puzzle when removed) and customers can still see the puzzle.

4. Enter Items into the System (MySaleManager.Net)

- Enter item descriptions, price, size and gender (as applicable) into the website for each item or group of items for sale. Please be as specific as possible. We use this information at setup.
- Select Discount if you agree to sell the item at 50% discount during the last hour of the sale. If you do not wish to sell the item at a 50% discount during the last our, do not select Discount.
- Select Donation if you agree to donate the item if it is not sold by the end of the sale. These items are identified and segregated at the end of the sale for pickup by the organization and will not be returned to the seller.
- Prices are in 50 cent increments, i.e., \$0.50, \$1.50, \$2.00, \$2.50, etc.
- Pricing is generally 1/3 of the retail price. Guidelines are below.

Clothing, Shoes, and Accessories		Equipment	
Onesies	\$1.00 - \$2.50	Cribs	\$50.00 - \$150.00
Tops	\$1.00 - \$6.00	Play Yards	\$10.00-\$30.00

CONCIERGE SELLERS: Your concierge will propose pricing per the guidelines above and their own experience. They will then provide a proposed price report for your items. You have 5 days to approve or reject the pricing; after 5 days, silence will be considered acceptance of the proposed pricing.

5. Print, Cut, and Apply Tags

- Print tags single-sided on standard WHITE cardstock (65 lb recommended) and verify that each tag includes a complete description and a bar code. Hand written tags may not be used.
- Tags must be safety pinned on the top side of the tag, to the upper right side of the garment (when looking at it). For the safety of our members and shoppers' straight pins are not allowed.
- Tagging guns are allowed with short fasteners (1" or smaller). We recommend tagging along a seam to prevent damage to clothing.
- If you have a delicate item or raincoat that may be damaged by pins, you may pin/attach the tag to a zipper or back label.
- When using a plastic bag for items, tape tags on the outside of the bag. You may use Scotch tape, masking tape, or blue painter's tape. Packaging tape should only be used on metal or plastic items (e.g. toys, big equipment, zip close bags)
- Please do not use packing tape to affix tags to books. Use scotch tape or blue painters tape instead.
- Please do not tape over the barcode area of the tag, even with clear tape; tape can make the barcode more difficult to scan.
- Car seat tags must have an expiration date listed on them. This may be entered on the tag or hand-written on the waiver.
- Please do not put tags on the seats of bicycles or ride-on toys. They will get lost.

The club is NOT responsible for missing items, missing tags, or any item damaged during the sale. Please make sure all items are properly secured. If you have questions, please contact a committee member.

6. Sort Items into Bins

- Items are packaged up for transport to the sale
- We recommend reusable storage bins for durability, but cardboard boxes are also acceptable.
- Items should be organized per below:
 - Clothing categories (please presort before arrival)
 - By gender, then size (range sizes round down, e.g. 3-6 months goes with 3 month)
 - Sleepwear by gender (size 12 months and smaller goes in with the regular clothes)
 - Coats/jackets separated by size only
 - Halloween/dress-up/costumes separated by size only
 - Swimwear by size only
 - Hats and accessories
 - Maternity: by size
 - Shoes: by size
 - Toys
 - Books
 - Electronics
 - Big Equipment (e.g. strollers, play yards, car seats, high chairs, furniture, large toys), not in bins
 - Infant care
 - Bedding
- Multiple categories may be included in a bin; the intent is to make setting out items as efficient as

possible

- When including multiple sizes in one bin, please use a divider or point the hangers in different directions

FRIDAY PARKING: Please park in the Civic Center parking lot for all Friday activities. There is no parking or drop offs allowed in the circular drive. You may bring a dolly or hand truck for unloading. If you have big equipment to unload, please discuss with the big equipment manager about using the loading dock.

Please do not shop during Friday setup; see Friday Shopping below.

10. Friday Shopping

All LCMOTC members and all sellers (members or non-members) are allowed to shop on Friday evening in their assigned Group, for free. Each member and seller is allowed one Friends & Family pass, to be used by a non-member / non-seller by mentioning the member/seller's name at the door; Friends & Family pay a \$2 cash / \$2.50 credit admission fee. Non-selling, non-member volunteers may shop as a guest of a member or seller, but do not have a dedicated shopping group.

There are five groups for Friday shopping, starting at approximately 8:00 PM:

- Group 1: Resale Committee (20 minutes)
- Group 2: 12-Hour Volunteers + LCMOTC Board Members (15 minutes)
- Group 3: 8-Hour Volunteers (15 minutes)
- Group 4: 2-Hour Volunteers (5 minutes)
- Group 5: Remaining sellers, LCMOTC members, spouses/partners of LCMOTC members, spouses/partners of sellers, MOI members, Friends & Family (1 per member/seller, \$2 cash / \$2.50 credit admission)

Spouses/partners/children (under age 18) may shop *with* the seller/volunteer in their shopping group; they only need to wait for Group 5 if they are shopping independently of the seller/volunteer. Children under age 12 must be accompanied by an adult while shopping.

There is a volunteer shift to work as a cashier during Friday shopping. If you volunteer for this shift, you will be able to shop with your shopping group but are expected to work the remainder of the 8:00-10:30 PM timeline in exchange for 2 volunteer hours.

You may shop until 10:30 PM on Friday night, regardless of shopping group.

WHAT TO BRING:

- A laundry basket or bag to carry items while shopping, or LCMOTC provides large bags. No strollers or wagons are allowed.
- At least 2 personal checks or a credit card (small fee applies for credit card purchases). Separate checks are needed for the main cashier and large equipment areas. No business checks will be accepted. Any non-members paying by check will need to show a drivers license. No cash boxes are available on Friday night, other than for admission or the bake sale. Note that we do not accept checks from shoppers on Saturday.

ACCOMODATIONS:

If a member has a medical condition and requires spouse/partner/other assistance during their designated shopping time, please contact resale@lcmotc.com at least by 5pm on Tuesday, October

18 to get your name on the list. Those with prior arrangements are permitted to shop with assistance at your designated Group time (Group 1-5). Alternatively, shopping can be completed with the last shopping group (Group 5), or a committee member will assist you if you need help carrying items during your designated shopping time.

11. Pre-Sale and Sale (Saturday)

SCHEDULE

- Volunteers during this shift should arrive at 7:00 AM; arriving after 7:15 AM is considered late. There is a short seller meeting at 7:15 AM.
- Volunteer roles include, but are not limited to: cashier, hanger puller, clothing department, gathering lobby department, front door, and big equipment
- The sale opens at 7:15 AM for members and sellers, 7:30 AM for our raffle winner (from the previous sale), 7:45 AM for VIP ticket holders, 8:00-10:30 AM for the general sale, and 11:00 AM - 12:00 PM where select items are discounted. The 10:30-11:00 closure provides the club time to check out any customers on the floor and change the computer system so it scans discounted items at half price. This will also be a time we can straighten and reorganize merchandise

TAGS/SHOPPING

- Tags may not be switched for any reason during the sale.
- Big equipment price changes are allowed before or during the sale. Any changes must be initialed by hand, in red ink, on the barcode tag. Sellers not working on Saturday provide rules or contact information to Big Equipment Manager at the time of drop-off (Friday 4-6PM). **PRICE ADJUSTMENTS WILL BE AT THE DISCRETION OF THE BIG EQUIPMENT MANAGER.**
- If an item is found without a tag, and no tag has been turned in, the committee will first attempt to look up the item. If the item cannot be found by description, the committee will determine a price and that amount will be donated to the club (excluding large equipment).
- Any merchandise found and not paid for will be put back on the floor immediately.
- Any purchased items left behind will be donated at the end of the day.
- Volunteers are asked not to “shop” on Saturday during their work shift. However, if you come across merchandise you would like to buy on Saturday, go to the Cashier Room between 7:00 AM and 8:00 AM to check out or to the Big Equipment area 8:00 AM to 10:30 AM. Paid items will be held in the Treasurer’s Room with Seller # and receipt attached. At the end of sale, purchases will be placed in your seller number bins during takedown
- Volunteers working during the 11am-12pm discount hour are not permitted to shop during their work shift, due to the logistical difficulty of allowing all working volunteers to shop during this time.
- Non-selling LCMOTC members as well as the family members of sellers are welcome to shop on Saturday, including during the discount hour. Spouses/partners will not be charged admission. Children shop for free.

WHAT TO WEAR

Member Sellers must wear red LCMOTC shirt during the sale. Contact Tracy Lynch at tototoo@comcast.net if you need a red shirt. Non-Member Sellers must wear any red shirt; you do not need to purchase a club shirt since you are not a member.

WHERE TO PARK

All sellers and volunteers should park at the Metra Station adjacent to the Civic Center and walk around the back of the Civic Center to enter through the main entrance. This way sellers and

volunteers can avoid the line of public shoppers waiting to enter.

FOOD/BREAKS

- Food and drink **MUST** be kept in the uncarpeted lobby area or the kitchen of the Civic Center with the exception of water.
- Department managers (cashier room, clothing, gathering lobby, big equipment, front door) will arrange with their volunteers to have a short break for a snack (in the kitchen area) and to move cars from the Metra parking lot to the Civic Center lot.

12. Tear Down

VOLUNTEERS

- Unless otherwise specified for the volunteer role, volunteers for this shift should arrive at 11:45 AM to ensure a smooth transition to the end of the sale.
- Volunteers for 11:45-2 will be assigned a primary take-down area (e.g., cashier room, gathering lobby, clothing). After your assigned area is taken down, help other areas; gathering lobby volunteers are asked to help organize seller bins and other volunteers are asked to help with truck load. Volunteers may leave after take-down and pack-up procedures have been completed in all areas. This is typically around 2:00 PM.
- Volunteers are also assigned for donation preparation (11:45AM-2PM) and/or donation driving (1:30-2:30PM). If you are assigned to drive donations, please be sure to sign-out with the Resale Chair.

PICKING UP ITEMS

- Sellers who are picking up their items but not volunteering at this time should plan to pick up their unsold items at 1:15-1:45 PM. Items not picked up at 1:45 PM will be donated.
- Please do not park in the circle drive to load your car with unsold items. This is a fire lane.

13. Truck Unload

- Volunteers for this shift arrive at 2:00 PM at the storage shed at Shur-Lock Self Storage at 35865 US-45 in Lake Villa.
- Volunteers will be carrying racks, bags, poles, etc. from the rental truck and packing into a storage shed.

- Sold item reports are available in the MySaleManager.Net system on the Tuesday after the sale
- Checks are mailed to sellers directly from the bank, typically, between 1 and 2 weeks. During this time, the club must ensure that all checks written during Friday night shopping have cleared. The resale treasurer will announce when the checks have been sent.
- Volunteers who are present for Tear Down can see a preview of their earnings on Saturday around 1:45 PM

UNSOLD ITEMS: Please check your unsold items to see if any other seller's items were inadvertently placed in your bins for return. A quick message on Wild Apricot or Facebook might resolve these issues.

DONATIONS: If you would like a receipt from the organization who collected our donations, you may contact them directly. Information about the organization(s) will be available at the resale.

PREPARING FOR NEXT SALE:

- By default, sold and donated items remain in the MySaleManager.Net system.
- Immediately after the sale (after reports are issued), we recommend to go into your account and deleting all sold and donated items. This helps clear out inventory no longer needed in the system. Also delete any items that you no longer plan to sell at future sales.
- Next, start collecting those items for the next resale!

15. PENALTIES

- All penalties are automatically deducted from seller checks.
- If 10 or more items are inconsistent with the rules above, then each item must be fixed on Friday night and a \$10.00 penalty will be deducted from the seller's check. This includes tags. Please check that tags are on the correct paper. The descriptions of items need to be accurate as well.
- If there is a bounced check during Friday shopping, there will be a \$25 returned check fee. If a Friday shopper bounces 2 checks to LCMOTC, checks will no longer be accepted from the shopper.

Items that do not meet the guidelines in Step 2 (e.g. stained clothing, non-functional toys) will be pulled at the committee's discretion, and a penalty will be assessed. If a seller has 10 items or 3.0% of their items pulled (whichever is greater) the penalty will be as follows:

- 1st sale offense: \$10 will be deducted.
- 2nd consecutive sale offense: \$20 will be deducted
- 3rd consecutive offense: 10% fee will be added to consignor fee (example: 18% + 10% = 28%)
- Late arrival to a volunteer shift or drop-off appointment will have a fee of \$10.00 deducted per shift and will be moved to Shopping Group 5, regardless of club status (e.g. board member, priority volunteer, etc.). If the volunteer shift is after Friday shopping, the penalty will be applied to the next sale.
- No-shows for a volunteer shift will be charged a 60% fee of their seller's check and will not be permitted to sell or shop on Friday evening at the next sale, unless pre-approved as a concierge seller or 0-hour volunteer.
- No-shows or late attendees to the Friday night seller meeting will have a fee of \$10.00 deducted and will be moved to Shopping Group 5.
- Children ages 11 and under are NOT permitted at any time during set-up and take down. Children are permitted to attend Friday night shopping and Saturday morning member shopping as long as

they are supervised at all times by a parent/adult shopper. If a seller brings their child/children ages 11 and under at any time during set-up or takedown, they will be asked to leave and will be penalized 10% of their seller's check.

- If an item needs to be refunded to a customer due to an unusable item, seller forfeits the price of the item. The item will not be returned to the seller.
